A DIABOLICAL PLOT. Dynamite Fiends at Work in London.

GOVERNMENT OFFICES ASSAILED.

A Terrific Explosion in a
Public Building.

LONDON, March 15.

The British metropolis was horrified by a
diabolical attempt to blow up the govern-
ment buildings. At 9 o'clock p.m. while
the house of commons was sitting, a ter-
rific explosion was heard. The galleries
in the commons chamber were shaken,
and general consternation and alarm was
excited. The news was quickly received
that a diabolical attempt had been made by
means of dynamite to blow up the govern-
ment buildings.

It was the force of the explosion that the
government buildings were shaken, and
general consternation and alarm was
excited. The news was quickly received

Manitoba Notes.

(From our Correspondent.)

Mr. ENGLISH—Permit me to say a
few words in reference to the past winter
in Manitoba. Many things were said to us
as a very discouraging statement in reference
to the winter, and lastly, to the fact that the
winter was a very bad one. Now, in reference
to the winter, we have now been in Manitoba
for some time, and we can say that the winter
was not so bad as was said.

There is an Indian reserve in the
Manitoba district about seven months, and
in that time we have not seen over a dozen
snowflakes. There is an Indian reserve in the

pressure to bear upon him that Cole con-

From the new edition of Messrs. Geo. P. Rowell & Co.'s "American Newspaper Directory," which is now in press, it appears that the total number of newspapers and periodicals published in the United States is 74,442, of which the number of newspapers is 73,700. The weekly number is 423. This is an excellent showing for the country, though it must be remembered that the United States is a large country, and the population is 80,000,000. The present total in New York state is 1,380, of which 80 is in the past year. The most remarkable change has occurred in the territory, in that the daily papers have grown from 43 to 63, and the total area of territory. The number of newspapers in the United States is 73,700, of which 73,000 are in the United States. The number of newspapers in the United States is 73,700, of which 73,000 are in the United States.

HOME MATTERS.
Girl wanted for general housework. Good wages to a good girl. Apply to J. H. M. W. at 1200 Broadway.

Next Monday is the regular council meeting in the territory, in that the daily papers have grown from 43 to 63, and the total area of territory. The number of newspapers in the United States is 73,700, of which 73,000 are in the United States.

Mr. H. E. Skinner, of Campbell, the father of G. A. Skinner, barrister, is in town visiting.

Several years ago, says the *Ardenian*, Frederick, Mr. Geo. W. H. of the most prominent young planters in Arkansas, came to the city, bringing the intelligence of his father's death, and the fact that he was a wealthy man.

LOTS OF SEASONED 10-INCH LUMBER FOR SALE.
JAS. BOLDRICK.

ORGANS & PIANOS!
The undersigned wishes to announce to the friends and lovers of music that he now has for sale the DOMINION ORGAN, which are exceedingly good, being very early and nice, and beautiful in design and workmanship. They are brought to a state of perfection and I do not expect to find any Canadian instrument for some time to come. I can cheerfully recommend and warrant them thoroughly good, after an experience of over twenty years handling instruments. Samples on exhibition at my residence, 1000 Main Street, at 1000 Main Street, at 1000 Main Street.

KENDALL'S SPAVIN CURE
It does not blister, but it is certain in its effects, and it is sure to remove the enlargement as well as the lameness it is caused by.

KENDALL'S SPAVIN CURE
It has cured thousands of cases, and is destined to cure millions and millions more.

KENDALL'S SPAVIN CURE
It is the only positive cure known, and it is so sure to remove the enlargement as well as the lameness it is caused by, as a sample of cases cured by it, a statement which was

WHEN UNDER OATH.
To whom it may concern.—In the year 1870 I treated with Kendall's Spavin Cure a horse spavin of several months' growth, nearly half an inch in diameter, and completely stopped the lameness and removed the enlargement. I then worked the horse for some very hard, and he never has been lame since, and I can ever see any difference in the size of the hock-joints since I treated him with Kendall's Spavin Cure.
R. A. GARDNER.
Knoxville, Tenn., Feb. 20th, 1879.

KENDALL'S SPAVIN CURE
It cures spavins, splints, ringbones, and all similar lamenesses, and removes the enlargement as well as the lameness it is caused by. For more it is now known to be one of the best, for it has been in use ever since.
